Open Dog

1st. Mr S Brown CH Rishkhan Kelly's Hero

A very eye-catching dog, displayed all the qualities of the Champion that he is, broad skull, large dark expressive eye's, well fringed ear's, super neck & shoulders, good front & tight round feet, level topline, good tail carriage, & strong hindquarters, a beautiful, well maintained coat, moved around the ring as if he owned it, a real credit to his Handler/Breeder, in that he is still giving the youngster's a run for their money, and I believe he is getting better with age. I had no hesitation in awarding him Best of breed

2nd. Mrs R Godson Lansilk Moon Seeker

Lovely Cream dog, one that I liked a lot, most of the qualities of 1, but just carrying a little too much weight which spoiled his overall outline.
